58 Total Teams that played in 2015. We **WILL** be going with 8 Teams per Div. in 2016. Overflow to 4B.  
New teams for 2016 will be placed on a wait list, as all divisions are full. The Executive holds the final decision.  
Teams have been placed in the designated divisions based on Regular Season standings from past seasons.  
Also a Major determining factor is the finish in the playoff's, and of course the Rosters.  
Teams returning with 7 or more players from their present roster, will remain in the designated division.  
Any change requests will only be looked at, and authorized by the current Executive team.  
Any change requests must be received by e-mail, by April 1, 2016.  
The change request must include the complete proposed roster, for the 2016 season.
